

4. ПОИСК ФРАГМЕНТОВ

Помоги Софи и Плато на каждой картинке найти **пять точно таких же фрагментов**, какие нарисованы над картинкой, и обведи их. В пустой ячейке под найденным фрагментом поставь ✓.

1.

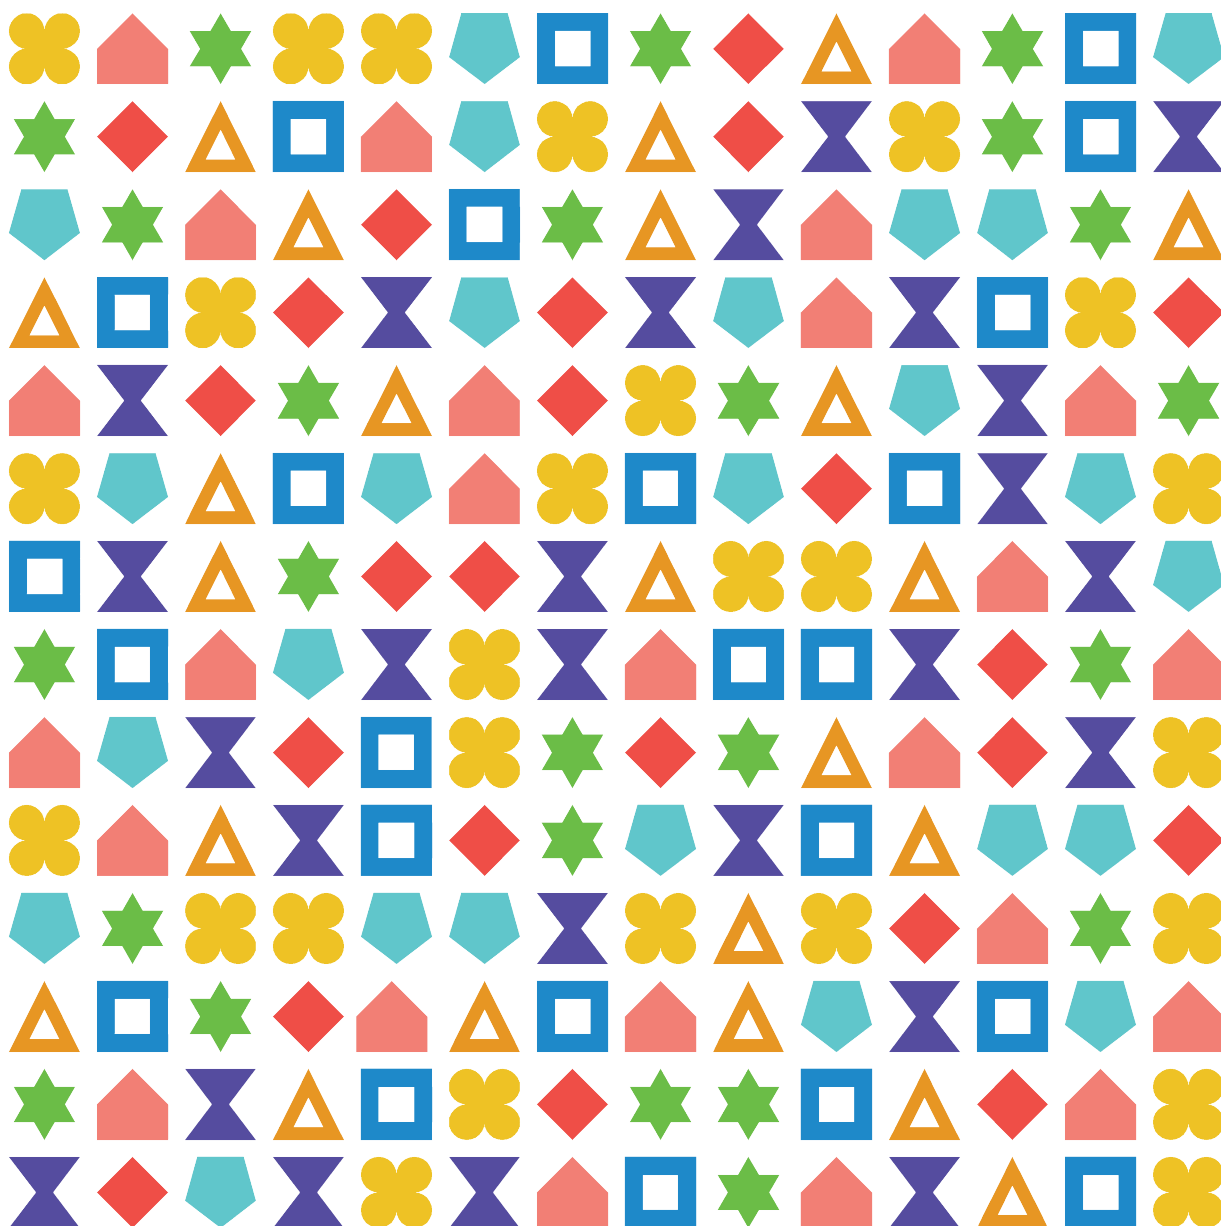

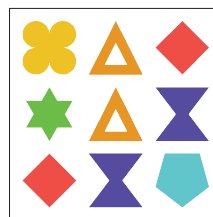

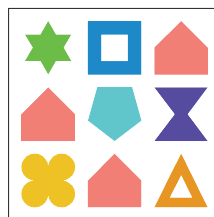

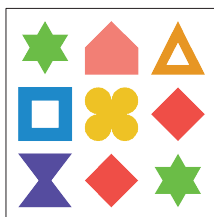

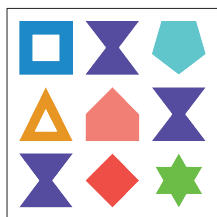

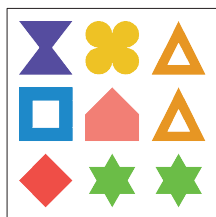

2.

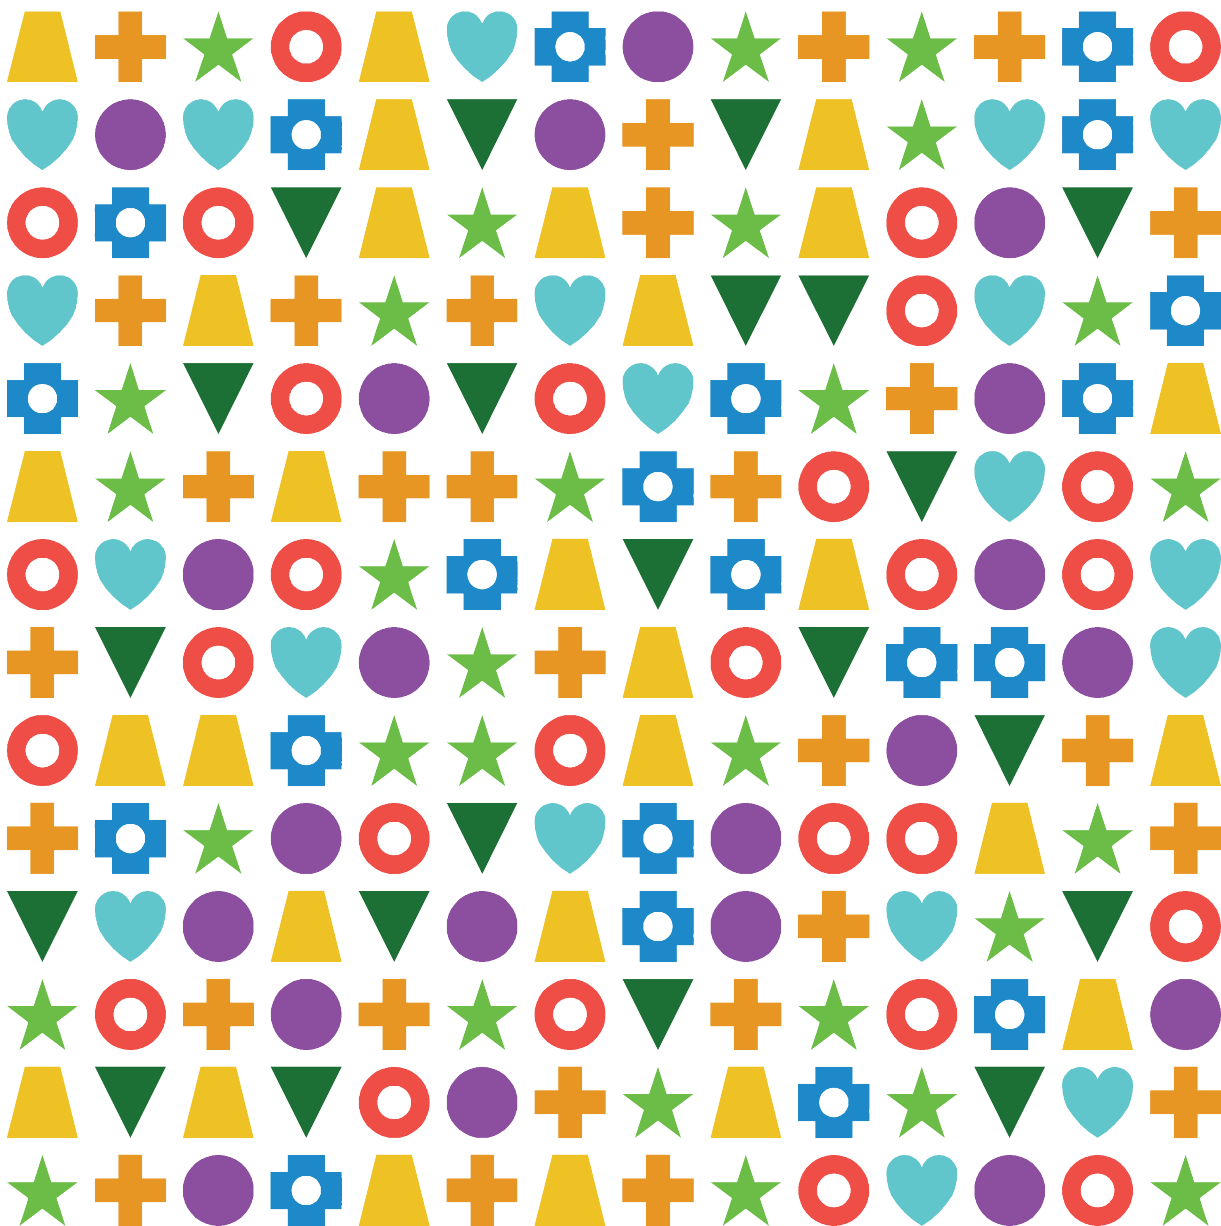

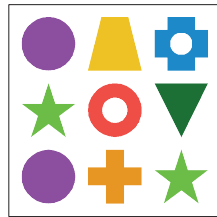

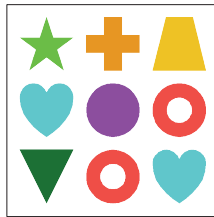

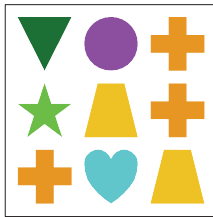

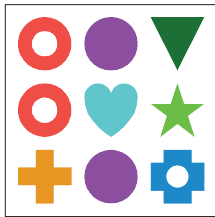

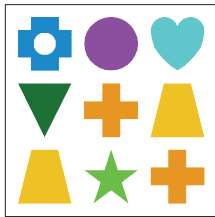

Задания этого раздела развивают зрительное восприятие и пространственное мышление. Они учат обращать внимание на незначительные детали, находить совпадения и различия, а также анализировать взаимосвязь между целым и его частями. Только внимание ко всем деталям позволит найти правильное решение.

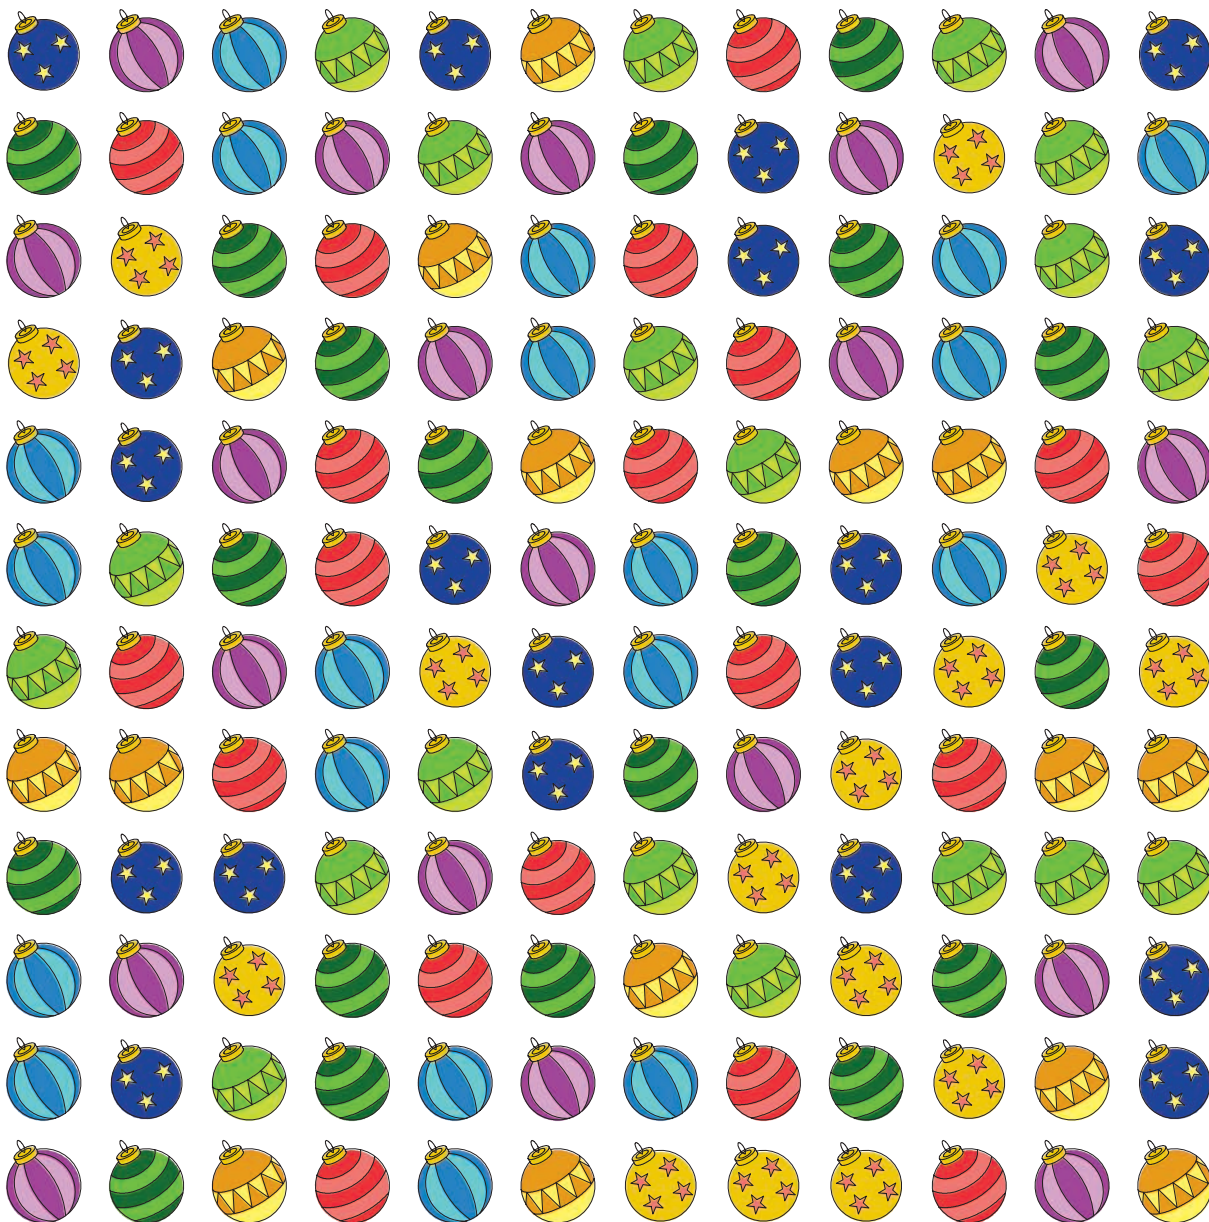

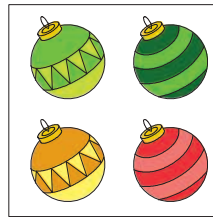

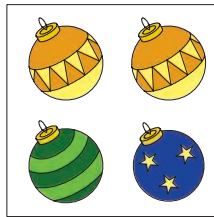

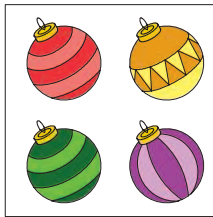

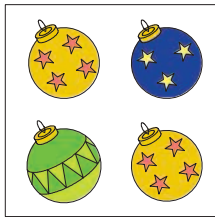

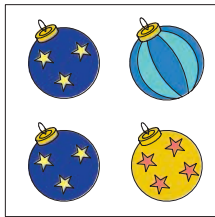

3.

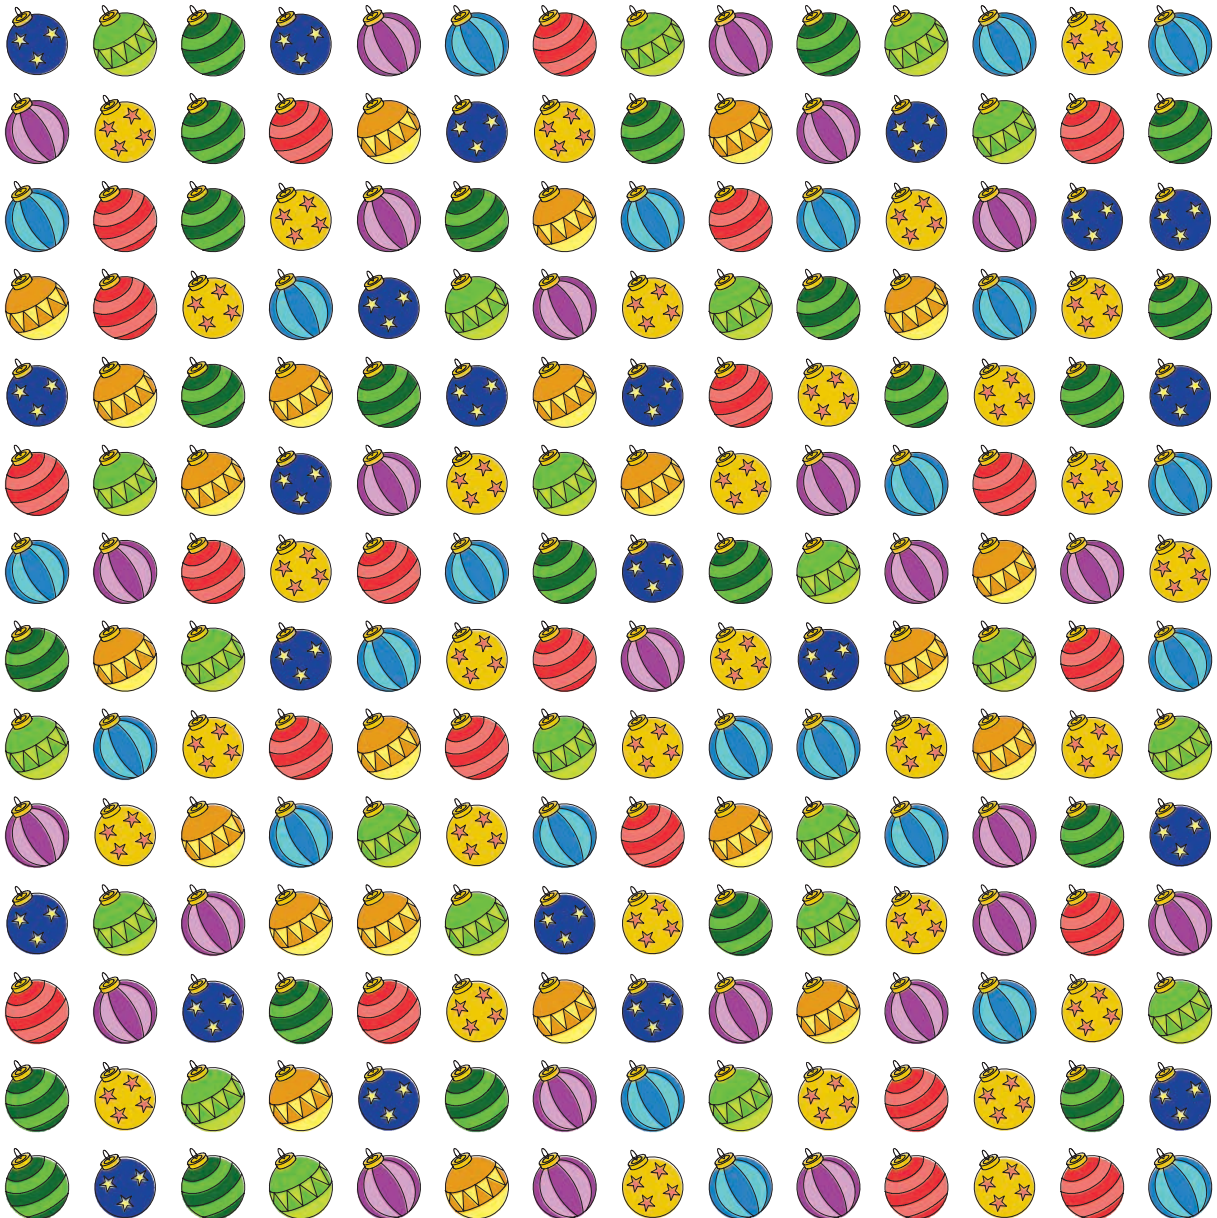

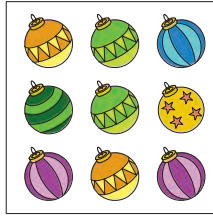

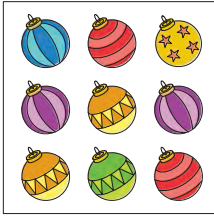

4.

5.

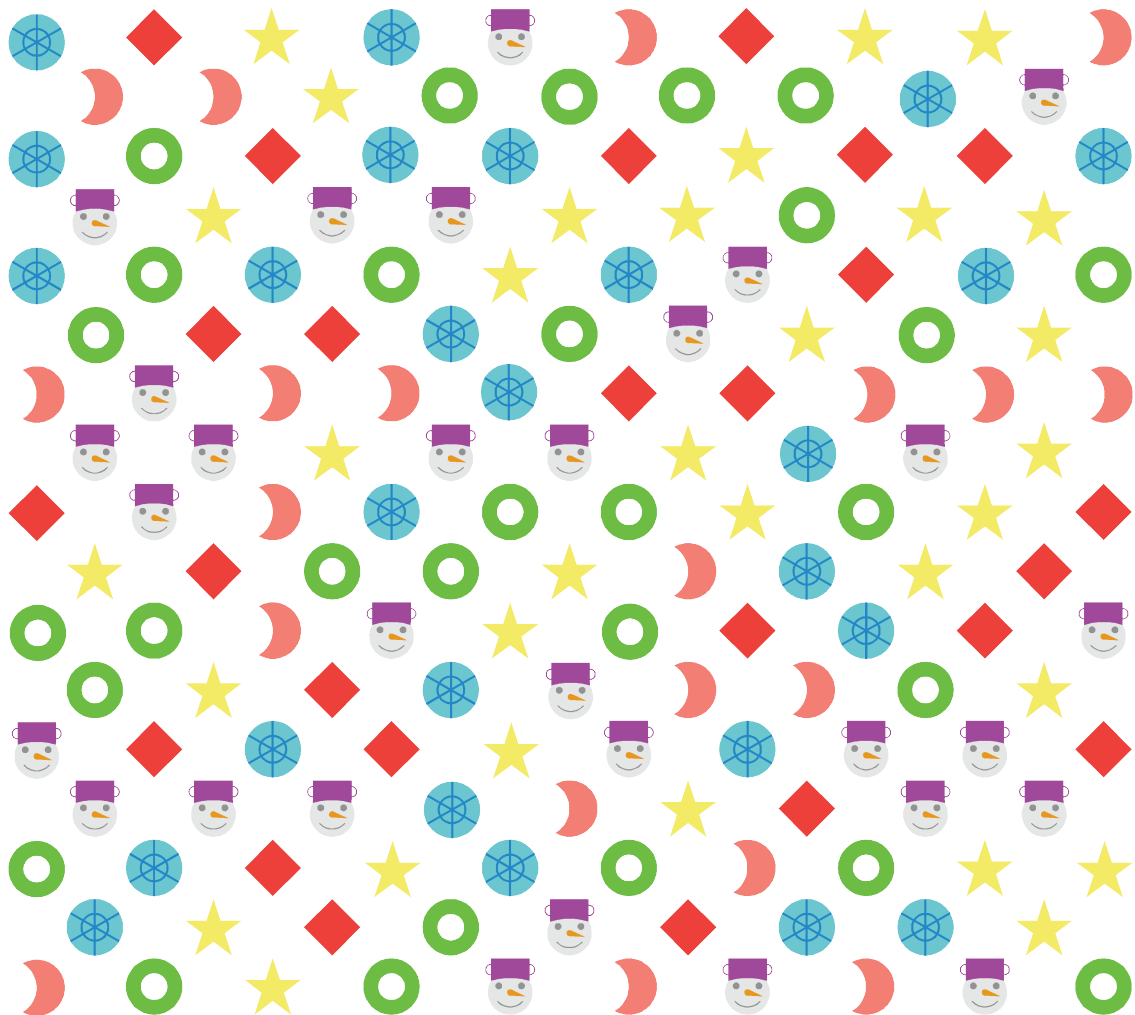

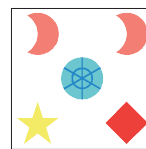

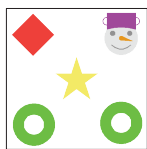

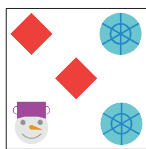

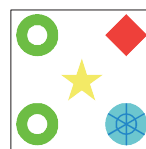

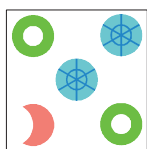

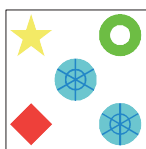

6.

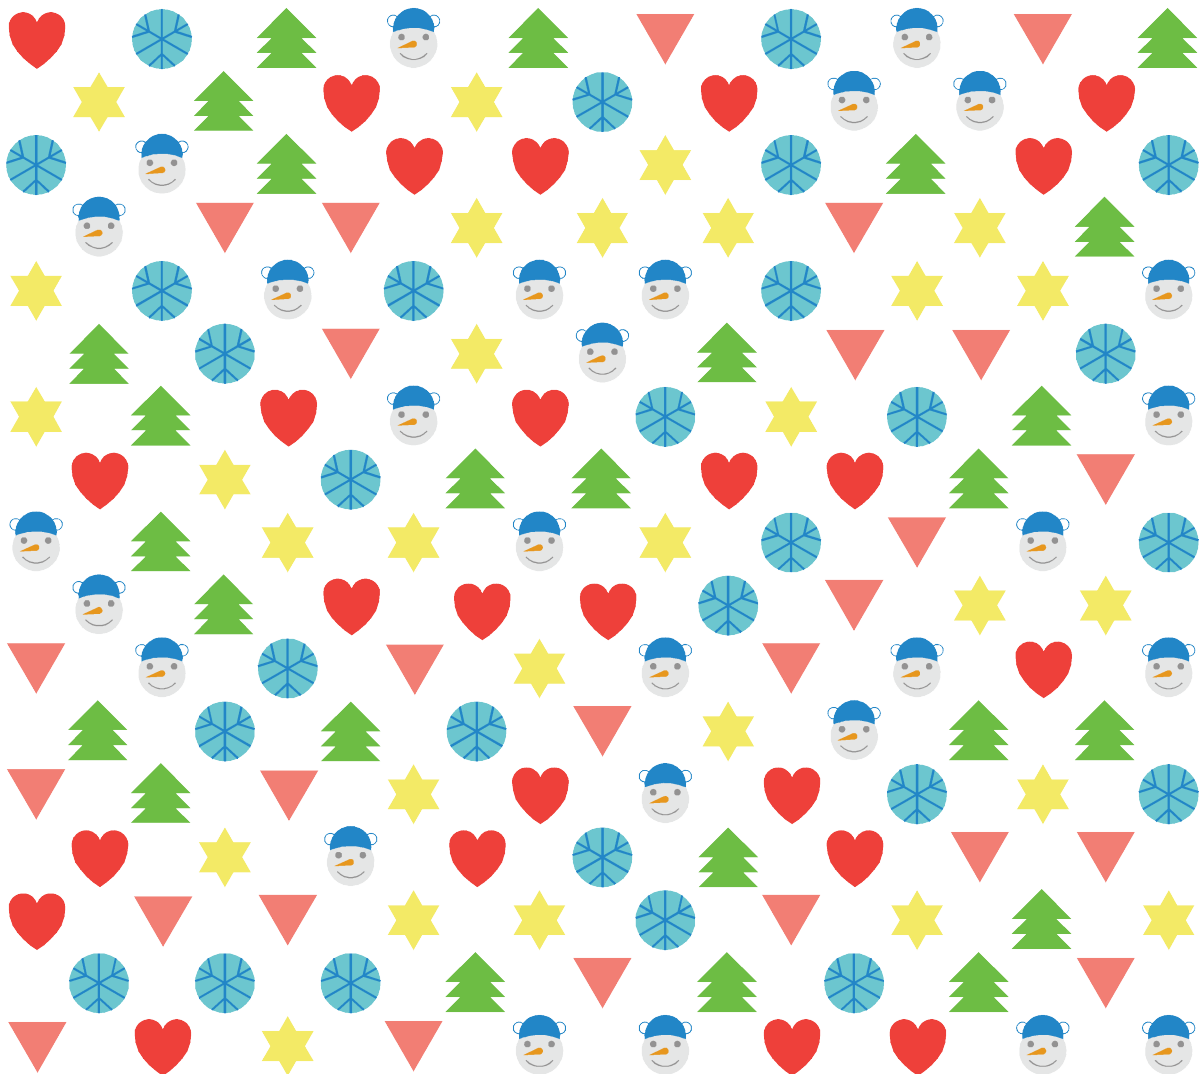

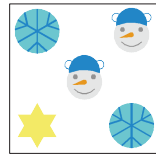

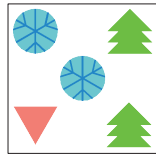

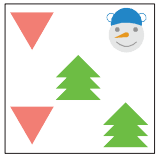

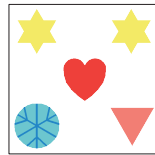

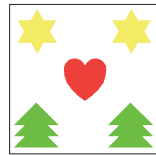

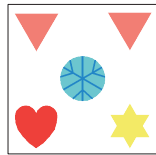

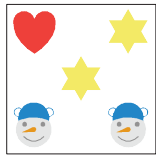

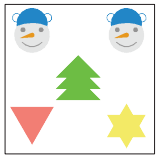

На следующих страницах, следуя тому же правилу, найди на картинке **десять** **указанных фрагментов**.

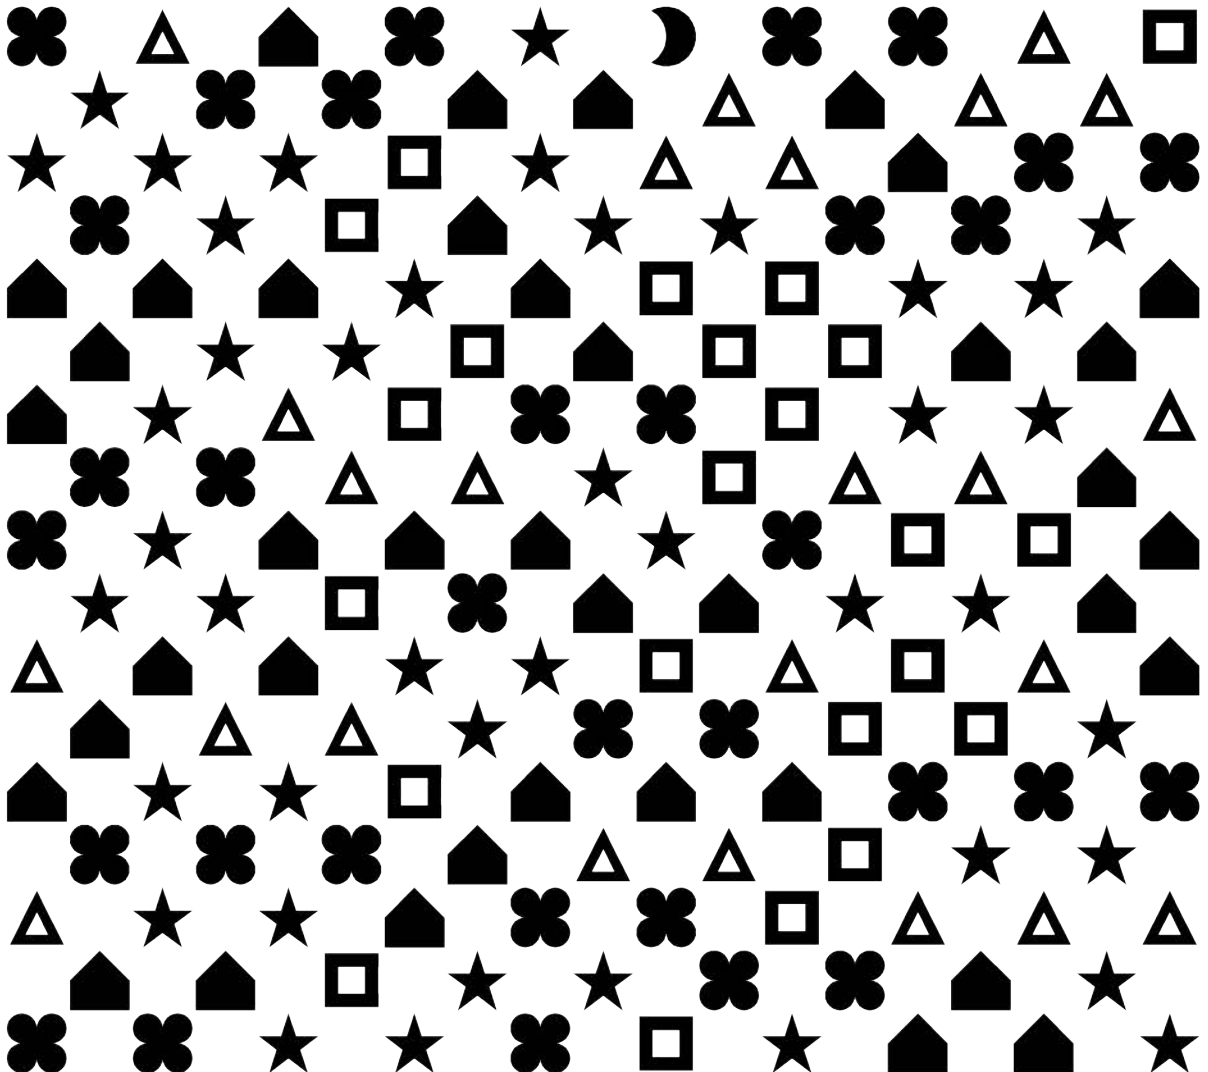

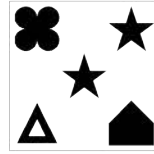

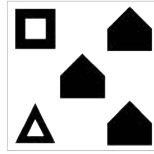

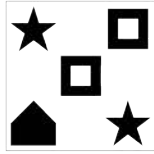

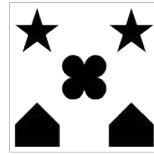

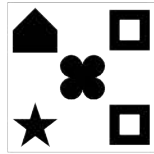

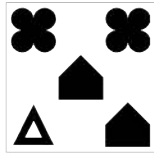

7.

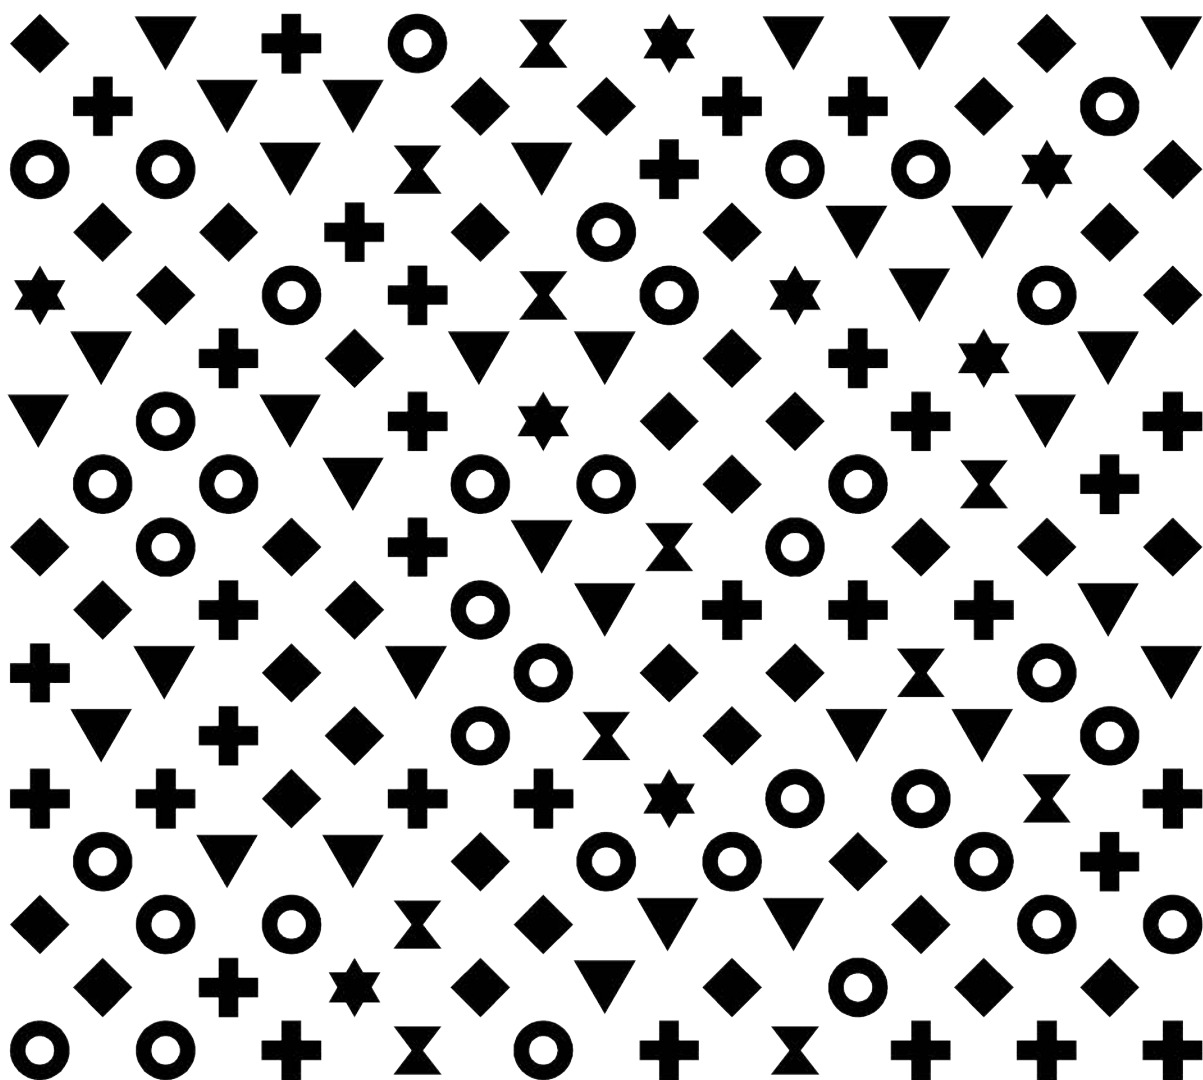

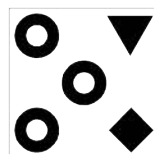

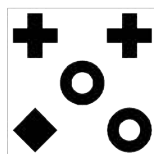

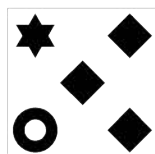

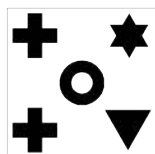

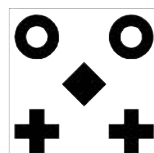

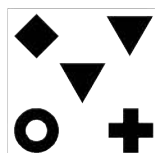

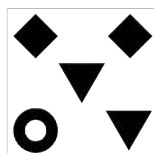

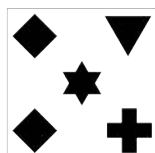

8.

9.

10.
